

FRA Referee Programs - FRA Qualified and USAR Certification

The "FRA Qualified Referee" program is a quick start program that is intended to help the FRA be able to provide better referees for our FRA sponsored tournaments. It is designed to be a sub set and not a replacement of the requirements for USAR certification as noted below.

***Note regarding “Current Status”:**

Active: Qualified FRA/USAR as noted above
Inactive: Needs to retake test
Pending: Test taken – awaiting evaluation

To become a FRA Qualified Referee and be paid \$10.00 for FRA sponsored tournaments you must:

- 1) Attend a rules clinic and score 86% or higher on the USAR State Level 1 written closed book test.
- 2) Referee three matches with the third match being an assessment match of B singles or C doubles.
- 3) Once completed your name you will issued a “FRA Qualified Referee Card” that will be honored at the FRA sponsored tournaments for which you will be paid \$10.00 per match.
- 4) Your name will also be put into the pending file for USAR certification. To become a certified USAR referee you have one year to complete the requirements as noted below.
- 5) To maintain your FRA Qualified Referee status you must attend a yearly FRA referee clinic and retake the written test every 2 years.

FRA Assessment Matches are to be conducted by Qualified USAR Referees, or designated by the FRA referee committee (Jean Trimble, Randy Forrest or Andy Pawlowski)

The FRA plans to hold rules clinics and administer tests at our FRA sponsored tournaments

To go on to acquire a level 1 (state level) USAR certification, the additional requirements are as stated on the USAR site:

- 1) Referee 5 additional matches, which would bring the total count up to 8 matches (as noted on the attest card)
- 2) Pass two assessment matches according to what is noted on the USAR web site.

Note: The above must be completed within one year of passing the USAR written test.

Detailed information regarding USAR level 1 certification can be found on the USAR web site at:
