

Women's Senior-Masters National Racquetball Championships - Points Calculation:

- 1. They play round robin either 2 games to 11 or 3 games to 11 depending on the division they were in .**
- 2. For every game they won they receive 2 points.**
- 3. The winner of the match receives 2 points.**

So in games to 11 the person could win 28 points and in the flights that played 3 games to 11 could receive 41.

If a tie then the points were split 1 and 1. The total for all the matches are then totalled.

In the 45 B/C, 50+, and 55+ they had a play off with the top 4 in each flight. The other flights were not they were strictly total points from all the games.
